We are looking forward to staying connected with you for upcoming activities, and hope that you will continue to maintain your passion and spirit for the challenge next year.

Once again, thank you for your participation and dedication in Bosch Future Mobility Challenge. We wish you all the best in your future endeavors.

The sponsorship support is intended solely to cover travel-related expenses for attending the competition in Romania (including visa application fees and flight tickets)

Visa application procedures shall be undertaken and completed by each participating team independently.
